

dream
a little...

...then let **bifold direct** be the starting point for a whole new way

Our Easifold door is more than just a simple door. It is an elegant creator of both space and potential, the architectural realisation of your dreams.

While their elegant design and ultra slim aluminium frame profile connects you to the world outside like no other, their precision engineering and high performance components combine to deliver doors of matchless quality.

Imagine your home and your life with a bespoke door from bifold direct, a world of new possibilities awaits you.

space

Easifold doors are the most beautiful folding sliding doors you can buy.

Their timeless aesthetics, superior engineering and premium quality are only part of their character. The rest is imagination.

Imagine how your living spaces will be transformed. Imagine that there are no barriers between inside and outside. Imagine gorgeous natural light illuminating your life. Nothing else releases the potential of your home, and the space around it, quite like individually crafted Easifold doors.

Suddenly, summer days are longer and winter days are brighter. In just a few moments relaxation is more rewarding and entertaining is more dramatic. At last every part of your home is yours to enjoy and savour.

craft

54321...it's as swift, smooth and simple as that.

A gentle push is all it takes to create your new living space.

The secret lies beneath each lightweight frame section where our unique free - glide roller carriage makes opening and closing an effortless experience.

peace of mind...

Each bespoke Easifold door is designed and manufactured at our state of the art High Wycombe facility.

Exceptional care is taken in designing our doors for durability and long-term performance. Only ultra-high quality components, specially designed by us, are used in an Easifold door. Every one of our skilled craftsmen takes pride in creating the best folding sliding doors money can buy.

That's why Easifold doors are guaranteed by us to perform faultlessly for 20 years. No other manufacturer of bi-fold doors guarantees their products for two decades.

So, embrace your new lifestyle with the solid reassurance of our unrivalled guarantee.

...and relax.

Once closed, an Easifold door will help keep your home warm in the winter and cool in the summer. Easifold doors' state of the art thermal barriers limit heat transfer.

warm safe and secure

Easifold doors are designed to prevent fingers, especially tiny ones, getting caught between them.

Our doors have enhanced security measures that exceed industry standards. The five bolt bespoke multi-point lock and supplementary shoot bolt locking mechanisms provide unrivalled security.

your adventure begins...

An Easifold door is a personal expression of your taste and lifestyle. The size and fittings, the opening pattern and opening direction are tailored to satisfy your unique aspirations and blend seamlessly into your home.

Your choice of colour is no exception.

Our frames are colour coated with an oven cured polyester powder for a tough and smooth decorative finish. Take your time to choose from hundreds of bespoke colour options or let us guide you with our specially selected collection of our most popular colours.

For that natural look or to co-ordinate with existing windows, capture the beauty of real wood with our range of ultra realistic wood effects.

You can even choose different colours for inside and outside, or for individual door panels. With Easifold, your options are virtually unlimited.

...with the big finish.

Bifold direct's interactive online configurator has been designed to help you create your perfect doors, price them and even order online for an extremely fast delivery.

Simply choose your preferred folding design. Then select from a range of contemporary, high quality stainless steel handles or colour co-ordinate from our options menu.

Then let the Configurator swiftly deliver a bespoke design solution and a detailed quotation.

Discovering a new lifestyle has never been easier.

a design
for your life.
